RE: Request for Sidewalk Repairs/Replacements in ANC 2A

Dear Director Dormsjo,

At its regular meeting on November 19, 2014, Advisory Neighborhood Commission 2A (“**ANC 2A**” or “**Commission**”) considered the above-referenced matter. With seven of eight commissioners present, a quorum at a duly-noticed public meeting, the Commission voted to approve the following resolution by a vote of (7-0-0):

Whereas safe sidewalks are important for all residents, including elderly residents and residents with disabilities; and

Whereas broken sidewalks are unsightly and can result in reduced property values; and

Whereas there are a number of dangerous sidewalks in the Foggy Bottom and West End residential neighborhoods; and

Whereas a number of repairs were recently made to the sidewalks in the Foggy Bottom and West End residential communities, for which ANC 2A is grateful; and

Whereas many dangerous sidewalks remain in Foggy Bottom, including those at the following locations:

1. 25th Street between Queen Anne’s Lane/Snows Court and I Street NW, both sides (900 block);
2. 25th Street between K Street and Snows Court NW, east side (900 block);
3. K Street at 24th Street NW, near corner on south side (2400 block);
4. I Street between New Hampshire Avenue and 25th Street NW, both sides (2400 block);
5. Virginia Avenue at 25th Street NW (2500 block);
6. K Street between 24th and 25th Streets NW, north side (2400 block);
7. K Street between 25th and 26th Streets NW, north side (2500 block);

10. GW Controlled Plaza on I Street NW between 23rd and 24th Streets NW (Foggy Bottom Metro entrance);
