RE: Resolution to Request Hiring a Certified Public Accountant

Dear Executive Director Kent Boese,

At its regular meeting on July 16, 2025, Advisory Neighborhood Commission 2A (“ANC 2A” or “Commission”) considered the above-referenced matter. With Commissioner Patel and Commissioner Youngstone being the representatives of this matter, five of five commissioners present, a quorum at a duly-noticed public meeting. The Commission, after a motion made by Commissioner Youngstone and seconded by Commissioner Patel, adopted the following resolution by (5-0-0) to request funds from OANC for expert assistance in order to hire a CPA to help with ongoing tax issues.

The Commission recognizes the importance of upholding our financial responsibilities and ensuring compliance with District and federal tax requirements. Despite our best efforts to maintain accurate records and timely filings, we have encountered complex tax issues that require professional expertise beyond the scope of our treasurer and administrative staff. We believe this support is essential to the transparency, integrity, and sustainability of our ANC’s operations. The Commission is committed to using these funds responsibly and in alignment with OANC guidelines.

Sincerely,

Trupti Patel
ANC 2A Chairperson
