## **RE: Safe Community Places and Policing Amendment Act of 2025**

Councilmember Pinto,

At its regular meeting on Wednesday, January 21<sup>st</sup>, 2026, Advisory Neighborhood Commission 2A (“ANC 2A” or “Commission”) considered the above-referenced matter. With five of five commissioners present, a quorum at a duly-noticed public meeting, the Commission, after a motion made by Commissioner Patel and seconded by Commissioner DiCapo, adopted the following resolution by (3-1-1):

**WHEREAS**, on October 22, 2025, ANC 2A adopted a resolution entitled *Condemning MPD Cooperation with ICE*; and

**WHEREAS**, on December 15, 2025, Councilmembers Lewis George, Nadeau, R. White, Allen, and Parker introduced the *Safe Community Places and Policing Amendment Act of 2025*<sup>i</sup> (“Act”); and

**WHEREAS**, the Act would ensure that District policies reflect shared values and public safety priorities by prohibiting the District from engaging in immigration enforcement absent a judicial warrant or court order; and

**WHEREAS**, during testimony before the Council’s Committee on the Judiciary and Public Safety on December 4, 2025, multiple District residents testified that they had observed federal agents riding in the back seats of Metropolitan Police Department (“MPD”) vehicles; and

**WHEREAS**, Mayor Muriel Bowser [ordered](#)<sup>1</sup> indefinite coordination between MPD and federal law enforcement agencies, representing a significant policy shift that has raised substantial public concern; and

**WHEREAS**, cooperation between local police and federal immigration authorities contradicts both the letter and spirit of the [Sanctuary Values Amendment Act](#)<sup>2</sup>, which expressly prohibits MPD from assisting in civil immigration enforcement and is intended to protect immigrant communities from fear-based policing; and

**WHEREAS**, on January 6, 2026 the Department of Homeland Security (DHS) announced what it called the largest immigration enforcement operation ever carried out, sending 2,000 agents to the Minneapolis–Saint Paul metropolitan area as part of the agency's shift in immigration enforcement to more aggressive, "showy sweeps" over targeted arrests; and

**WHEREAS**, on January 7, 2026, Renee Good, a 37-year-old American citizen, was killed by an Immigration and Customs Enforcement ("ICE") agent in Minneapolis, Minnesota; and

**WHEREAS**, the lack of transparency and clear answers from MPD has further intensified concern among District residents and elected officials, who report witnessing local law enforcement officers working closely with federal agents, including in matters related to immigration enforcement; and

**WHEREAS**, ICE agents have been increasingly involved in violent confrontations with migrants and U.S. citizens amid the agency's shift toward more aggressive enforcement practices; and

**WHEREAS**, unlike other states and municipalities, the District of Columbia is constrained in its ability to independently pursue criminal charges against federal agents, as such prosecutions fall under the authority of the U.S. Attorney for the District of Columbia, a presidential appointee; and

**WHEREAS**, advocates, community members, and members of the D.C. Council have collectively expressed heightened concern that similar incidents could occur in the District as a result of increased federal immigration enforcement activity; and

**WHEREAS**, on January 8, 2026, Councilmember Brianne Nadeau (Ward 1) released a committee report<sup>3</sup> examining potential human rights violations arising from D.C. government cooperation with federal law enforcement; and

**WHEREAS**, a central finding of this review is the significant erosion of trust between District residents and MPD;

**THEREFORE, BE IT RESOLVED** that Advisory Neighborhood Commission 2A urges the D.C. Council Committee on the Judiciary and Public Safety to hold a public hearing on the *Safe Community Places and Policing Amendment Act of 2025*; and

**BE IT FURTHER RESOLVED** that ANC 2A urges the D.C. Council and the Mayor to adopt and implement the following recommendations:

1. That the Mayor rescind the *Safe and Beautiful Emergency Operations Center* order (Mayor’s Order 2025-090) and that MPD formally sunset its immigration enforcement order (EO-25-005).
2. That the Office of Human Rights continue to collect and analyze data concerning any increase in discrimination complaints filed since January 2025 and share this information with the Council to support oversight and policy development.
3. That the Council reaffirm and strengthen enforcement of the *Sanctuary Values Act* and any other applicable laws governing cooperation between MPD and federal law enforcement agencies.
4. That the Council exhaust all available legal and oversight mechanisms to require federal law enforcement officers operating in the District to comply with the same identification and anti-mask requirements imposed on MPD officers.

**BE IT FURTHER RESOLVED** that Commissioner Trupti J. Patel ([2A03@anc.dc.gov](mailto:2A03@anc.dc.gov)) is designated as the Commission’s representative for purposes of this resolution.

ON BEHALF OF THE COMMISSION.

Sincerely,
