Dear Supervisor Nicole Rogers,

This letter is in regard to the after-hours work permit requested by HITT Contracting for their renovation project at an existing law firm located on 2050 M Street NW. This project entails renovating the office space of the 9<sup>th</sup> floor of this building.

As the Chairperson representing the vacant single-member district 2A06, I am writing to express my support for extended work hours from when the permit is approved from **today, January 25, 2026 to October 30, 2026**, on condition that construction activity will not have a significant negative effect on the quality of residential life or traffic circulation. This after-hours work permit is to allow crew members to work during weekends from 7am-7pm Saturday and Sunday, as well as weekdays from 4am-7am Monday to Friday. The upcoming DC holidays will also be needed and are listed below:

- President's Day (2/16/26)
- Emancipation Day (4/16/26)
- Juneteenth (6/19/26)
- Indigenous People's Day (10/12/26)

Sincerely,

Chairperson Patel
