**Re: Letter of Support for Proposed After Hours Permit for Rand Construction Corporation
(Permit: B2602605)**

Dear Members of the Commission,

As Chairperson for Advisory Neighborhood Commission 2A, I am writing to express my support for the after-hours permit application submitted by Rand Construction Corporation for the accessibility project at 1717 Pennsylvania Ave, NW, 13th Floor, Washington, DC, 20006.

I understand that the proposed permit would allow the contractor to conduct work with a start time as early as 5:00 a.m. and concluding by 5:00 p.m. Monday through Saturday. This request covers the summer construction cycle from now through August 31, 2026. This will also include the following holidays: June 19, 2026, Juneteenth and July 4, 2026, Independence Day.

As Chairperson of ANC 2A representing the vacant and affected Single Member District 2A07, I am writing to express my support for the concept review of this project. This support is given with the understanding that the proposed addition will be designed in a manner consistent with the historic character of the surrounding area and will not negatively impact the quality of life of nearby residents.

Thank you for your consideration.

Sincerely,

Trupti Patel
Chairperson, ANC 2A03
