**Re: Letter of Support for Proposed Extended Work Hours for DFS Construction  
(Application: AH2600684)**

Dear Members of the Commission,

As Commissioner for Advisory Neighborhood Commission 2A, I am writing to express my strong support for the extended hours application submitted by DFS Construction for the accessibility project at 2445 M Street, NW Suite 500 Washington, DC, 20037.

I understand that the proposed permit would allow the contractor to conduct work with a start time as early as 5:00 a.m. and concluding by 1:00 p.m. This request covers the summer construction cycle, beginning July 1, 2026 through August 31, 2026.

As the Commissioner of ANC 2A02 representing the affected Single Member District, I am writing to express my support for the concept review of this project. This support is given with the understanding that the proposed addition will be designed in a manner consistent with the historic character of the surrounding area and will not negatively impact the quality of life of nearby residents.

Thank you for your consideration.

Sincerely,

Rob Gifford  
Commissioner, ANC 2A02
