Re: Letter of Support for Proposed After Hours Permit for Construction Project on 2121 Virginia Ave NW, Washington DC 20037

Dear Supervisor,

This letter is in regard to the afterhours work permit requested by Crane Service Company, Inc. for their interior construction project, located at 2121 Virginia Ave NW, Washington DC 20037. The duration of construction will be from Saturday, September 12, 2026, at 4:00 AM until Sunday, September, 13, 2026, at 9:00 PM.

As the Chairperson of ANC 2A and having to fulfill the duties of the representative for the single member district with a vacant Commissioner, I am writing to express my support for this permit request on the condition that the construction activity will have no negative effect on the quality of residential life in or surrounding the address listed above.

Sincerely,

Trupti Patel
Chair, Commissioner, ANC 2A03
