Dear Supervisor Nicole Rogers,

This letter is in regard to the after-hours work permit requested by Davis Construction and their contractors for their ULI project at 2101 L St NW for DC Emancipation Day.

As the Commissioner representing the single-member district 2A06, I am writing to express my support for extended work hours on **Emancipation Day, Thursday, April 16, 2026 and Memorial Day, May 25, 2026** on the condition that construction activity will not have a significant negative effect on the quality of residential life or traffic circulation, as well as without going over the decibel in noise during the lift.

Sincerely,

John Dolan
